A man and a woman with red hair are looking at a small object together outdoors. The man is on the right, wearing a dark shirt, and the woman is on the left, wearing a red shirt. They are both looking down at a small object in the man's hand. The background is a blurred outdoor setting with trees and a body of water.

A close-up photograph showing a concrete curb or edge of a sidewalk, with green grass growing along its base. The background is slightly blurred, showing more grass and some yellow flowers.

atmosphere in his office, felt very calm and well taken care of during our session. He takes his time to understand your concerns and does an amazing job with being able to pin point those issues. He also gave me some great advice and tips on how to help keep up with progress we've made. I've had 4 sessions so far with Dr. Zach and each time I get the results I was hoping for, which makes me excited to go back!"
